

# Treasures of Lambeth Palace Library

CLAS Private View – 26th May, 6–8pm

---

CLAS has arranged a very special private view for this magnificent exhibition. Ticket prices include entry to the exhibition and a glass of wine and nibbles.

Celebrating 400 years since the library was established there are many priceless manuscripts which are going to be on display at this once-in-a-lifetime exhibition.

The Library itself is a jewel of a building, set within the grounds of Lambeth Palace

on the south bank of the Thames, and if you have never been before then this is not to be missed. But the manuscripts are our main attraction, and Lambeth Palace Library are kindly opening their doors for a Private View just for CLAS members and guests. Numbers are limited so make sure that you get your application off as soon as you can.

•••*Please note: We have to have a list of correct names for security purposes. There are no returns, but if you sell your ticket on, please let me know on: palaeography@clas.co.uk* Thank you.
